HORMAS EL ARBOL

Desde 1935

AÑOS DE EXPERIENCIA

Hormas El Árbol se funda en 1935, **con más de 88 años de experiencia** somos una **empresa internacional en la fabricación de hormas para calzado** en polietileno de alta densidad.

Trabajamos bajo un esquema de **alta competitividad**, orientado a la **satisfacción del cliente en un contexto de mejora continua** promoviendo un servicio de calidad, tecnología, asesoría técnica y moda.

YEARS OF EXPERIENCE

El Arbol shoe last manufacturer was founded in 1935, **with more than 88 years of experience** we are an international company in the manufacture of high-density polyethylene shoe lasts.

We work under a highly competitive scheme, aimed at customer satisfaction in a context of continuous improvement, promoting quality, service, technology, technical advice and fashion.

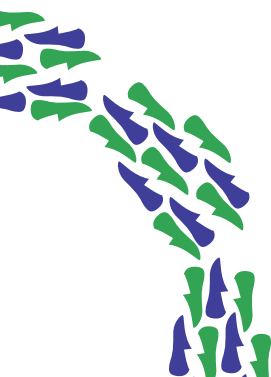

MODELOS TALENTO ARTESANAL

Ponemos a disposición del cliente un **Taller de Modelo propio**, con **más de 5 modelistas**, todos ellos, **con más de 15 años de experiencia**. Ofreciendo atención personalizada, seguimiento puntual, diseño y perfeccionamiento de cada modelo de horma.

MODEL SHOP ARTISAN TALENT

We offer our clients **our own Model Workshop, with more than 5 modelist**, all of them, **with more than 15 years of experience**. Offering personalized attention, timely monitoring, design and perfection of each last model.

INNOVACIÓN PRECISIÓN Y EFICIENCIA

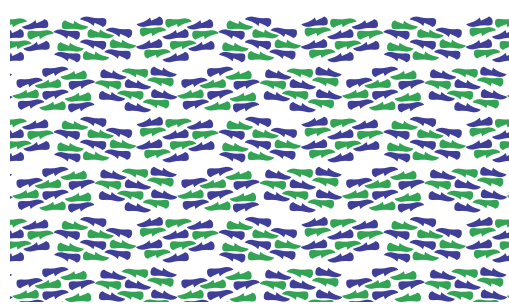

Contamos con tornos de última tecnología y procesos que permiten producir hormas con alta precisión, para diferentes tipos de construcción de calzado, así como hormas para robot, procesos de vulcanizado o con placa para inyección directa al corte.

En **Hormas El Árbol** buscamos la **innovación** y apoyamos a nuestros clientes con talleres de asesoría, para apoyo técnico y por medio de inteligencia artificial, en el proceso de desarrollo.

HORMA PARA ROBOT
